ABOUT THE PROJECT

The residential enclave SRK Gardens features the very best in SLV Real Estate's Plotted segment. The project offers spacious Plots with luxurious features.

Every convenience is close at hand immaterial of whether the property is meant for personal use or for investment with global lifestyle. This township has been developed keeping in mind the ample space to live and relax for better living. Beautiful landscapes all around Sri Radhakrishna Gardens makes it more special & Elite. SRK Gardens location has excellent connectivity & it is located at the crux of International Airport Road near existing and upcoming communities & facilities.

With 32 years of triumphs and success, we have indeed come a long way in property development. You are aware that our Company is one of the largest Real Estate developers in South Bangalore. For the first time we have set foot into North Bangalore, Devanahalli. We are indeed happy to have helped thousands to realize, their long cherished dreams of owning word class home, hence making SLV Housing Development Corporation their preferred choice.

FROM THE DIRECTOR'S DESK

SRI. H NAGARAJA

FOUNDER & MANAGING DIRECTOR

Sri. H Nagaraja is the promoter of SLV Group of companies and is the driving force behind every venture. His story is one of success attained through the dint of sheer hard work and perseverance, coupled with a clear far-seeing vision and an uncompromising adherence to value based principles.

Having ventured into the arena of real estate in 1990 at a very small scale, he grew SLV into a redoubtable, strong brand, single-handedly through his dynamism, energy and innovative thinking. In the first fourteen years he completed nine high quality projects on Kanakapura Road. Then from 2004 he focused on land transactions with the city's leading builders until 2008, then he reverted to his prior interest – to develop world-class layouts at value for money pricing for esteemed customers.

Each SLV property is an outstanding testimonial to Sri. H Nagaraja's unwavering commitment to quality, innovative thinking and adherence to timelines. Strongly focused on his ultimate vision, he has stayed committed to always giving full value for money and never compromising on quality. He has thus earned himself a strong name for trustworthiness, reliability and meticulous quality consciousness.

Under his visionary leadership, SLV today has evolved into a brand that is synonymous with the highest standards and the finest quality in real estate development.
